A dark crowd of people at night, with many individuals holding up their mobile phones. The screens of the phones are illuminated, creating a sea of small, glowing rectangles against the dark background. The text "3 Billion new minds" is overlaid in the center of the image.

A close-up photograph of a stone path. The path is composed of irregularly shaped, multi-colored stones in shades of grey, blue, purple, and yellow. The stones are set in a bed of brown, dried leaves and small pebbles. A single, light-colored stone is placed horizontally across the middle of the path, featuring the handwritten text "Laying the Groundwork" in black ink. The text is written in a casual, cursive style. The overall scene suggests a metaphorical or literal foundation for a project or journey.
